Subject: Nominations: ACM Transactions on Knowledge Discovery from Data (TKDD) Editor-in-Chief
To: <haixun.wang@instacart.com>

Dear Members of the Editorial Board,

I hope this message finds you well. I am writing to express my strong interest in the position of Editor-in-Chief for [TKDD (ACM Transaction on Knowledge Discovery from Data)]. With utmost respect for the journal's esteemed reputation and its commitment to advancing scholarship in our field, I am excited to submit my application.

Throughout my academic and professional journey in [Computer engineering/Machine learning and Big data], I have had the privilege of contributing to and witnessing the evolution of research and publication practices. I firmly believe that [TKDD] is poised to continue its growth and influence in our community, and I am eager to play a pivotal role in its future.

Here are some key highlights of my background and qualifications:

Extensive Research Experience: With [2013] of research experience, I have actively contributed to the advancement of knowledge in [Computer engineering/Machine learning and Big data]. My research has been published in reputable journals, and I have received recognition for my contributions.

Editorial Experience: I have served on the editorial board of (the Journal of Information Security (https://www.scirp.org/journal/detailedInforofeditorialboard.aspx?personid=11252). also in the International Journal Of Artificial Intelligence Research (https://ijair.id/index.php/ijair/about/editorialTeam) where I gained valuable experience in the peer-review process, manuscript handling, and maintaining the highest editorial standards. My tenure in these roles has honed my ability to make sound editorial

Vision for [Journal Name]: I am excited to share my vision for the future development of [TKDD]. I believe in fostering a diverse and inclusive editorial board, promoting open access and open science principles, and expanding the journal's reach to a wider

Collaborative Approach: I strongly believe in the power of collaboration and interdisciplinary research. My network within the academic community, both nationally and internationally, will facilitate collaborations and contributions to the journal.

Commitment to Innovation: I am committed to staying at the forefront of innovations in academic publishing, including addressing emerging trends, technological advancements, and ethical considerations.

decisions and uphold rigorous review practices.	international audience. I am committed to upholding the journal's reputation for excellence.

I would welcome the opportunity to discuss my vision and qualifications further with the Editorial Board. If deemed suitable, I am enthusiastic about the possibility of leading [TKDD] into its next phase of growth and impact.

Please find my attached CV and a formal application letter outlining my vision and strategy for [TKDD]. I would be grateful for the chance to engage in a discussion or interview to address any questions or concerns you may have.

Thank you for considering my application. I look forward to the possibility of contributing to the continued success of [Journal Name].

Sincerely,

[Shahab Wahhab Kareem] [Asist. Prof.] [Shahab.kareem@epu.edu.iq]
